

Elizabethtown Fair

P.O. BOX 285, ELIZABETHTOWN, PA 17022

Hello friends —

It's that time again... time for the experience of the Elizabethtown Fair!

The tastes, sights and sounds of the fair bring us back each year to enjoy ourselves in this unique celebration of our community. The Elizabethtown Fair is an institution that showcases the interests, talents and achievements of our tri-county community... and its success endures year after year because of tremendous area pride, support and involvement.

Clearly the fair is a major undertaking that is made possible by many volunteers and supporters – directors, department chairpersons and others – who donate their special talents and/or their financial support year after year.

The 2024 premium books are being prepared NOW for early distribution and we are asking for your participation.

Thank you again for your loyal and valued support.

ELIZABETHTOWN FAIR
